Any interested parties that are not members of the Council may attend the meeting by coming to Room 513 of the Department of Natural Resources' Central Office, located in the GEF 2 building at 101 South Webster Street in Madison. The State Trails Council (STC) is appointed by the Governor under the authority of statute 15.347(16) to provide state trail user groups and individuals a voice in the statewide trails program. The STC also provides a forum for dealing with solutions to conflicts between and within trail user groups and trail providers. Additionally, the STC provides advice and consultation to the Department of Natural Resources regarding the planning, acquisition, development, and management of trails in Wisconsin.

Agenda items will include an introduction of new appointee Lindor "Skip" Maletzke of Mountain who has been appointed by Governor Doyle to represent Tourism/Business, a review of the AHC recommendations as accepted by the STC, Stewardship Program Access update, master plans update, RTP update, Trail Crew update and other trail issues. The agenda and additional information about the STC is available online: <http://dnr.wi.gov/org/land/parks/trails/council>.

Please RSVP by January 6, 2010 (josephc.warren@wisconsin.gov; 608.267.7487) if you are planning to attend the January 11 meeting.
