Required Field *

- Note: Be sure to fill out the correct WAMs ID.
- Note: Be sure to fill out the correct Facility ID (follow webpage instructions).
 - Each facility is required to fill out the Facility ID differently so it is extremely important to expand the [\[More Information\]](#) link and follow instructions.

[\[More Information\]](#)

The DNR usually puts key identification numbers on any correspondence it sends to companies. Most facilities have a 9-digit DNR Facility ID (FID) number. However, there are a few exceptions.

Facility ID: *

- Recycling Responsible Units should use their 5 digit DOR municipal code.
- Registrants for E-Cycling may enter their company's 9 digit Federal Employer Identification Number (FEIN).
- Licensed Septage Businesses must enter their 1 to 4 digit Septage Business License number. (Note: This is NOT your Operator Certification number)
- If you are registering for the Asbestos Renovation and Demolition Notification System (ARDN) only, you may put your company name and address for the facility information and your zipcode as the facility ID.

- Select proper Wastewater reporting roles for your facility.
- Directions in the table located on the web site can be used as a guide for which roles to select for a facility:
- After entering all required information and proper roles, Select: **Submit**
