1) Initial review

Application received.

2) Completeness review

DNR informs the applicant in writing that application is complete. This is the “date of closure.”

3) Public Notice

DNR Posts Notice of Pending Application on the DNR Web site after Date of Closure.

4) Public Hearing

After posting notice on web is a Public Informational Hearing being held?

- Yes: After receiving all information requested, the application is complete. This is the “date of closure.”

- No: DNR reminds applicant of additional information requested but has not yet received.

5) Public Comment

Public comment period ends after public informational hearing.

6) Final Review

DNR issues decision after public comment period ends.
