

2019-2020 LIST OF BACTERIA, NITRATE AND ARSENIC LABORATORIES FOR WELL DRILLERS & PUMP INSTALLERS

The following certified laboratories may be used by well drillers and pump installers when collecting water samples to meet the requirements of ch. NR 812, Wis. Adm. Code (samples following well drilling or pump installing work). These laboratories have signed an agreement to provide the correct forms and electronically report test results to DNR for samples collected by well drillers and pump installers or their agent. Laboratories are listed in order of the counties where they are located. Fees vary from laboratory to laboratory. Contact Sandra Hershberger at 608-267-7605 or at Sandra.hershberger@wisconsin.gov to obtain an agreement or report corrections to this list. For a complete list of Safe Drinking Water Act certified bacteriology labs, go to the following web page: <http://dnr.wi.gov/topic/drinkingwater/laboratories.html>

Ashland
