Monitoring Results

Total number of mussels found: _____
Size of the largest mussel: _____
Size of the smallest mussel: _____

If greater than 20 mussels are found measure 20 mussels chosen randomly from the sample. If less than 20 mussels are found measure all mussels found. Report results in the table given at the back of this manual.

II

FIRST THANK you for including me in the ZEBRA mussel watch.

I check the 3 boat landing piers about every 6 week until the end of OCT. I also check some back bays and rocky shore lines.

I'm GLAD to report no mussels found.
