Boat Was...		Questions to Ask Boater						Discuss Following Prevention Steps with Boater							
Entering	Leaving	Have you been contacted by a watercraft inspector this season?		Are you willing to answer a few questions?		Was boat used during the past 5 days on a different waterbody?		If YES, where? Waterbody Name County / State	Don't know	WI Law requires boaters to take the following steps when leaving a boat landing: Steps 1 & 2: Inspect boat, trailers and equipment and remove any attached plants/animals. » Have you heard of this before? (see prompt) Step 3: Drain all water from boats , vehicles and equipment. » Do you have any questions? (see prompt) If angler, state following steps: Step 4: Drain water from livewells and containers holding your catch. » This is a relatively new law. Were you aware that this is required? (see prompt) Do you use live bait? (If YES, share message below.) Bait Message: If live bait comes in contact with lake/river water, it can only be used on that same waterbody or discarded in trash. (bait=minnows/leeches/worms) » Do you have any questions on this law as it can be a little confusing? (If yes, see Prompt and offer bait sticker/brochure)	Number of People Contacted	I feel confident that boater understands the steps necessary to prevent the spread of AIS. (Check one)
