Dear Jane,

This letter is in regards to the AIS Invasive Species Control Grant, AEPP-169-09, *Burnett County Aquatic Invasive Species Prevention & Education*, which will expire December 31, 2010.

I would like to request an extension for this grant until **December 31, 2011**.

Looking forward, it is apparent that Burnett County will not be able to expend all the remaining funds prior to the grant expiration date.

Burnett County has made a strong impact at identifying and controlling aquatic invasive species and we would like to continue this program for at least another year as requested.

If you have any questions, please feel free to contact me at the number listed above.

Sincerely,

Dave Ferris
Burnett County Conservationist
