

Site: Paulson Rd  
 Coordinates: 44° 07.365 N / 088° 42.468 W  
 Names of Volunteers: Stabenow  
 Protocols (circle one):  
 Dry Bridge/Culvert  Dry Shoreline  Did you use a handcoop? Yes  No   
 Wet Bridge/Culvert  Wet Shoreline  Did you use a rake? Yes  No   
 Start Time: 11 AM End Time:

List each aquatic invasive species observed, estimate the area and density of population, or indicate in the check box if none were observed. Indicate whether you collected a sample and/or took a picture.

| Species                          | Estimated area (m <sup>2</sup> ) | Density* | Sample Collected?                   | Picture taken?                      | Comments              |
|----------------------------------|----------------------------------|----------|-------------------------------------|-------------------------------------|-----------------------|
| Unknown <sup>invertebrate?</sup> |                                  | 1        | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | in SWAMP              |
| wild celery?                     |                                  | 1        | <input checked="" type="checkbox"/> | <input type="checkbox"/>            | washed up on shore    |
| mussels/snails                   |                                  |          | <input checked="" type="checkbox"/> | <input type="checkbox"/>            | Bag has variety in it |
| ZMA                              |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                       |
|                                  |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                       |
|                                  |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                       |
|                                  |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                       |
|                                  |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                       |
|                                  |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                       |

\*Density Ratings 1: A few individuals (1-25) 2: Many small, scattered populations (25 - 500) 3: Dense population (> 500)

No target species were observed

Other Observations/Notes:

Fish spine Zebra mussels confirmed

44.122817, -88.707709 Lake Winnebago
