

1

Names of Volunteers:  
Valerie Stabenow  
Allen Stabenow

Site: 6400 Pawson Rd Winnebago (Boat lift)  
Coordinates: 44° 07.366 N / 088° 42.403 W

Protocols (circle one):  
 Dry Bridge/Culvert  Dry Shoreline  Did you use a handscoop? Yes  No   
 Wet Bridge/Culvert  Wet Shoreline  Did you use a rake? Yes  No

Start Time: 9:42 AM End Time:

List each aquatic invasive species observed, estimate the area and density of population, or indicate in the check box if none were observed. Indicate whether you collected a sample and/or took a picture.

| Species                          | Estimated area (m <sup>2</sup> ) | Density* | Sample Collected?                   | Picture taken?                      | Comments        |
|----------------------------------|----------------------------------|----------|-------------------------------------|-------------------------------------|-----------------|
| Milfoil NO                       |                                  | 2        | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> | Docks, use rake |
| Pondweeds                        |                                  | 1        | <input checked="" type="checkbox"/> | <input checked="" type="checkbox"/> |                 |
| 1" Duckweed                      |                                  | 2        | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |                 |
| Lotus? <del>Water hyacinth</del> |                                  | 1        | <input checked="" type="checkbox"/> | <input type="checkbox"/>            |                 |
| Cornell                          |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                 |
| Mussel -                         |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            | sent to hlscc   |
|                                  |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                 |
|                                  |                                  |          | <input type="checkbox"/>            | <input type="checkbox"/>            |                 |

\*Density Ratings 1: A few individuals (1-25) 2: Many small, scattered populations (25 - 500) 3: Dense population (> 500)

No target species were observed

Other Observations/Notes:

Brown mystery snail confirmed

44.122766, -88.704697
