**CITIZEN BASED MONITORS WANTED!**

**Age 18 & Older**

Camp Y-Koda, in collaboration with area partners, is looking for motivated adults of all ages to help collect data on the Sheboygan River. Projects include invasive species eradication, bluebird house monitoring and more. Training will be provided. If you are interested in volunteering for these programs, please contact Sarah Dezwarte at [sdezwarde@sheboygancountyyymca.org](mailto:sdezwarde@sheboygancountyyymca.org). Please note that all of the programs on this page are free, however, pre-registration is required.

**CANOE AND COLLECT SHELLS**

What fun to collect shells. However, it is more than fun, it is also helpful! Shells are data. They can tell us what species of freshwater mussels (and fish!) call the Sheboygan River home now and in the past. This is important information as we determine the health of the river. Enjoy a canoe trip, learn how to collect and identify shells. Please bring sunscreen, snacks and water, and wear shoes that can get wet.

**Program Dates**

Fri, July 17 .....10:00am - 1:00pm

Sun, August 2 .....10:00am - 1:00pm

Fri, September 11 .....10:00am - 1:00pm

**CANOE THE RIVER BY NIGHT**

The river is so peaceful at night! We are offering night-time canoe trips so you can experience the river in a new way and also learn how to monitor for bats. Bats are good indicators of habitat health and important critters for our ecosystem. Watch bats as they fly and learn to use a bat detector, a gadget that records bat vocalizations we cannot hear. This prepares you for borrowing the bat detector so that if you are interested, you can survey for bats on your own along the river or elsewhere in Wisconsin. You will be contacted prior to each date for the location to meet on the Sheboygan River.

**Program Dates**

June 24, July 8, August 12

Wed..... Meet at 8:00pm

**CAMP Y-KODA: CITIZEN BASED MONITORS REGISTRATION**

Please drop off, mail or fax the form to Camp Y-Koda, the Sheboygan YMCA or Sheboygan Falls YMCA.
