WI Law requires boaters to take the following steps when leaving a boat landing:

**Steps 1 & 2: Inspect** boat, trailers and equipment and **remove** any attached plants/animals.

» Have you heard of this before? (see prompt)

**Step 3: Drain** all water from boats, vehicles and equipment.

» Do you have any questions? (see prompt)

**If angler, state following steps:**

**Step 4: Drain** water from livewells and containers holding your catch.

» This is a relatively new law. Were you aware that this is required? (see prompt)

Do you use live bait? (if YES, share message below.)

**Bait Message:** If live bait comes in contact with lake/river water, it can only be used on that same waterbody or discarded in trash. (bait=minnows/leeches/worms)

» Do you have any questions on this law as it can be a little confusing? (if yes, see Prompt and offer bait sticker/brochure)
