Invasive Species Survey Report

Dear Secretary Bose:

In accordance with the monitoring plan for invasive species, Wausau Paper has completed a second year of surveillance. Enclosed please find an original and eight (8) copies of a report documenting the results of the current year of the survey. Also enclosed is a copy of a letter sent to the Wisconsin Department of Natural Resources (WDNR) and the U.S. Fish and Wildlife Service (USFW) requesting their comments on the survey and report. As indicated in the request letter their comments were due December 18, 2008. To date we have not received any comments from the USFW or from the WDNR. If there are any questions please contact me at 952-544-8133.

Sincerely,
