Primary Data Collector

Name Stewart Braem	Phone Number 612-721-2725	Email bsbraem@live.com
------------------------------	-------------------------------------	----------------------------------

Additional Data Collector Names
Sharon Laingen, Tom Rawlings, Kent Shifford

Monitoring Location

Waterbody Name South Twin Lake	Township Name Chico	County Washburn
--	-------------------------------	---------------------------

Describe your observation point
Various high elevation and shoreline properties around all sides of the lake

Describe portion of waterbody you can see from your observation point

Entire surface

Date and Time of Monitoring

Start Date 03-29-17	Start Time 8:00 AM
-------------------------------	------------------------------

Start Date = Date you observed "Ice Off"
(Continuous monitoring beginning 03/26/17)

Monitoring Results

"Ice Off" = The lake is considered thawed when it is possible to boat from any shore to the deepest part of the lake without encountering ice. If you or past observers on your lake have always used another method to judge ice-on and ice-off, please describe the method

[Handwritten mark]

Date First "Ice Off" (When lake was first observed to be open in the spring)

03-29-17

Ice Duration (Total number of days frozen) [provide only if lake was observed daily]

110 days
