RE: Plan Approval Letter

Dear Kathy:

This letter is to serve as notice that the Department of Natural Resources (Department) has reviewed your "Eagle Lake Aquatic Plant Management Plan, 2015". The plan is dated January 7th, 2015. I have reviewed the plan and have determined that the plan meets the requirements of NR 198.43(1)(a-n), Wisconsin Administrative Code.

The Department hereby approves the 2015 Eagle Lake APM plan for use in applying for an NR 198.40 Established Infestation Control Grant in February 2015. This approval is not a guarantee for grant funding, but rather that the Eagle Lake Management District has developed a management plan that addresses the criteria listed in NR 198.43, Wisconsin Administrative Code.

Sincerely,

A handwritten signature in blue ink that reads "Heidi Bunk".
