Subject: Draft CalMan Lakes Management Plan Approval

Dear Calumet County:

The Department of Natural Resources received your CalMan Lakes Watershed Management Planning Project Phase I Report from Dan Cibulka (Onterra LLC), your consultant for the project.

The Department has reviewed the plan and it includes all of the elements listed in NR 191.45. It is well written and I feel it is a good plan to guide the Counties in addressing lake management needs for the lakes in the project area. I approve the plan recommendations. You are now eligible to apply for a Lake Protection Grant under our Lake Management Plan Implementation Grant Program.

Thank you for taking a leadership role in addressing water quality issues in the CalMan Lakes watershed. Please feel free to contact me at 920-662-5489 or by e-mail at [Mary.Gansberg@wisconsin.gov](mailto:Mary.Gansberg@wisconsin.gov) if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads 'Mary Gansberg'.
