at 3/19 village board meeting

We hereby formally request two (2) adjustments to the current boundaries. All property owners are in agreement and wish to expedite the adjustments so they can pursue immediate development.

I have attached a map showing what areas we would like adjusted. The one area A to B of approximately nine (9) acres is owned by Robert Sweeney.

The second area to swap is approximately 27 acres from C to D owned by Allen and Virginia Riese.

If additional information is required please let me know.

Sincerely,

Dear Committee members;

The proposed exchange of property for the Village of Oregon Urban Service Area is approved by the Town of Oregon. Since both areas are owned by the same person (Allen and Virginia Riese) we have no objection to the exchange.

Sincerely,

Ruth Klahn, Clerk
