

Manitowoc River Cleanup Event and Invasive Species Monitoring at Lower Schuette Park Saturday, June 16 - 9:00 a.m.

Join Friends of the Manitowoc River Watershed at Lower Schuette Park Kayak Launch for our annual River Cleanup.

**Stay to learn about invasive species detection with River Alliance of Wisconsin!
Enjoy a hike through the Park and learn how to protect your river.**

All cleanup supplies provided by FMRW and LNRP. Bring your own boats for river cleanup. Those who don't have a boat and want to clean by foot wear a hiking boot or something to keep your feet stable and dry. Cleaning time about 1-2 hours.

**9:00 a.m. - Manitowoc River Cleanup
12:30 p.m. - Monitoring hike throughout the park**
