Subject: Vincent Lake Aquatic Plant Management Plan Approval Request

Dear Mr. Weiser,

Thank you for your efforts to understand, protect, and improve Vincent Lake! This letter is to notify you that the Department has approved the Vincent Lake 2019-2024 Aquatic Plant Management Plan. Please note, this plan approval letter does not substitute for an aquatic plant harvesting permit. The Vincent Lake Association is still required to apply for aquatic plant management permits prior to beginning any harvesting or herbicide activities.

The Department reserves the right to inspect nuisance or navigation conditions prior to permitting aquatic plant management activities. Native aquatic plant management activities are *not* eligible for grant funding. Aquatic plant or algae control activities for the purposes of nuisance relief or navigation are *not* eligible for grant funding.

Thanks to you and the lake community for continuing to protect and improve Vincent Lake.

Sincerely,

Alex Smith  
Lake Biologist
