## Mission Statement

The Namakagon Lake Association, Inc. was formed in 1995 for the purpose of preserving and protecting Lake Namakagon and its environs. The Namakagon Lake Association, Inc. (NLA) is a not for profit organization that relies on contributions and membership fees of land owners and other concerned citizens for its funding.

It is our goal to preserve and protect Lake Namakagon as an environmentally healthy watershed, by sponsoring educational programs, adopting a pro-active role in the formulation of water and shoreland regulations, and responsible use of this unique and irreplaceable resource for all citizens.
