Aquatic Invasive Species (AIS) Early Detection Monitoring Data

The purpose of this form is to notify DNR of a new population of AIS. Only use if you found an aquatic invasive species where it hasn't been found previously.
 To find where aquatic invasives have already been found, visit: <http://dnr.wi.gov/topic/invasives/report.html>
 Notice: Information on this voluntary form is collected under ss. 33.02 and 281.11, Wis. Stats. Personally identifiable information collected on this form will be incorporated into the Wisconsin Invasive Species (SWIMS) Database. It is not intended to be used for any other purposes but may be made available to requesters under Wisconsin's Open Records laws, ss. 19.32 - 19.39, Wis. Stats. If the plant or animal cannot be collected due to safety concerns or it is located on private property, please take a photo (see Sample section below). DNR staff will then follow up with you to determine if collection is possible.

Instructions: Bold fields must be completed.

Location Name	SWIMS Station ID	County	Collector(s)
Paulsen Lake	10004892	Polk	Katein Anderson / Caita Strong Logan Dunsmoor

Protocol: Wetland Lake Stream Roadside OIT Road & Trans Canal, Dam, Div Reef OIT Natural Yes No N/A

AIS Sign Present Yes No N/A

Circle species looked for. These species will appear in the legend before monitoring.

Species	Gross Area	Cover	Infested Area	Live:Dead
