2024 TMDL Listings

This set of listings were identified as covered by an existing TMDL after the second public comment period. These listings will remain in Category 5 for the 2022 list but will be moved to Category 4 (Restoration Waters List) during the 2024 cycle. All of these waters but the West Branch of the Milwaukee River are within the Upper Fox-Wolf River TMDL Basin. The West Branch of the Milwaukee River is within the Milwaukee River Basin.
