OUTSTANDING RESOURCE WATER EVALUATION (continued)

Stream Name: Plover River
Reach Designation: CTH 'N' downstream to N village limits
Village of Hatley - Marathon Co.

CRITERIA

RELATED INFORMATION

SOURCES OF POLLUTION

No significant impacts from point sources or culturally induced nonpoint sources

If this stream reach did not receive a check in each of the 5 categories but, based on your professional judgement and overriding environmental concerns, you still believe that this should be an Outstanding Resource Water, explain why.

The Plover River provides the unique opportunity for fly fishing for big brown trout.
