Proposal Summary	
Funding Opportunity #:	EPA-R5-GL2010-1
Program Area:	Beach Sanitary Surveys
Focus Area:	Nearshore Health and Nonpoint Source Pollution
Proposal Name:	Egg Harbor Beach & Boat Trailer Parking Lot Improvements
Organization Name:	Village of Egg Harbor
Proposal #:	EPAGLNPO-2010-NS-2-1238-708
Submission Date:	2010-01-29 09:22:59
Proposal Funding Request:	\$274,682
Brief Project Description:	The Village of Egg Harbor desires to improve nearshore health and reduce nonpoint source pollution to Green Bay. The Village desires to expand upon a beach improvement project by installing a biofilter / infiltration basin, replacing impervious surfaces with pervious pavement, redirecting parking lot runoff, and restoring disturbed areas with native vegetation intended to discourage waterfowl. The Village also desires to complete the development of their event and boat trailer overflow parking lot by installing a biofilter to reduce the loading of sediments and pollutants to Green Bay.
