- No Known Standards Violations
- No Existing or Potential WQ Problems

WQ INFO IN LMD FILE

OUTSTANDING RESOURCE WATER EVALUATION (continued)

Stream Name: Pine R. System
Reach Designation: _____

CRITERIA

RELATED INFORMATION

SOURCES OF POLLUTION

[] No significant impacts from point sources or
culturally induced nonpoint sources

POINT NPS EXIST IN BASIN, BUT SYSTEM HANDLES THEM

If this stream reach did not receive a check in each of the 5 categories but, based on your professional judgement and overriding environmental concerns, you still believe that this should be an Outstanding Resource Water, explain why.

*Lower End warmwater fishery, below Poyssippi Dam
for perch & northern pike.*

Investment in habitat development

*See Master Plan & previously submitted reports
for additional information*
