Subject: U.S. Board on Geographic Names decisions, May 10, 2012

The names listed below were decided upon at Meeting 741 (May 10, 2012) of the U.S. Board on Geographic Names/Domestic Names Committee. These new names and changes have been entered and are available (or will be shortly) at the GNIS website: <http://geonames.usgs.gov/> (click Search Domestic Names). For the newly approved names, the new GNIS Feature ID (FID) is noted.

For a summary of each proposal, including locative details, please visit the link to the appropriate Review List via the Board's website:
