Tuesday, Nov 13th 9-12

9-12 Working Session: Bait Shop Project Review and Next Steps-Ice Your Catch Implementation Planning

Required Agenda Items

- CBCW Streamlined Grants Process (15min)
- County Highlights (2 partners- 30 minutes each??)
- If they accept the invitation we need to leave time for a warden supervisor to discuss 2012 AIS Warden Team Events (Group Checks) and what they have planned for 2013, opportunity for all of us to chime in and discuss ways we can better coordinate in 2013 ☺.

Survey Results –Top 4

- #1-Results of AIS Focus Groups- UMISC presentation- will cover highlights during statewide updates
- #2-1/2 day working session (potential topic- addressing new audiences-contractors, etc.)- focus on Ice Your Catch initiative for 2013
- #3-WI Budget Initiative- won't have any more info by November
- #4-Future of Watercraft Inspection- Program Review will take place Fall 2012/Winter 2013

Other suggestions

- Description of how zm and swf samples are analyzed
