

# 2015 Update on Volunteer Stream Monitoring Program

The screenshot shows the homepage of the Rock River Coalition website. At the top left is the logo for the Rock River Coalition, featuring a blue water drop with '20 YEARS' and '1994-2014 MIND • BODY • SPIRIT' next to it. To the right of the logo are social media icons for Facebook, Twitter, and Email. A red 'DONATE' button is positioned in the top right corner. Below the logo is a blue navigation bar with the following menu items: 'Get Involved', 'Events', 'Projects', 'About', 'The Basin', and 'Contact'. A search bar with a 'SEARCH' button is located on the right side of the navigation bar. The main content area features a large photograph of a young boy wearing a yellow visor and glasses, looking through a magnifying glass. A blue text box overlaid on the photo reads: 'Citizen Stream Monitoring - Be a part of assessing the health of our lakes and rivers.' Below the main image are three content boxes: 'Make A Difference' with a photo of a group of people, 'Featured Project' with a photo of two people working outdoors, and 'Our Mission' with a photo of a damselfly. The text 'There are many ways to get involved — from' is partially visible at the bottom left, and 'Our mission is to educate and provide' is partially visible at the bottom right.
